**PUBLIC HEARING:**

Chairwoman Ruckman explained the Planning & Zoning Commission is an advisory board. All approvals are granted by the City Council. She also read the following code sections regarding expiration of Conditional Use Permit(s) and Site Plan approval(s):

Section 400.635 Expiration of Site Plan Approval.

The site plan approval shall expire, and be of no effect, one hundred eighty (180) days after the date of final approval thereof, unless within such time a building permit for any proposed work authorized under the said site plan approval has been issued. The site plan approval shall expire and be of no effect three hundred sixty (360) days after the date of its issuance, if construction has not begun and been pursued diligently on the property.

Section 400.695 Failure to Commence Construction or Operation.

Unless otherwise stated in the conditions of a particular conditional use permit, substantial work, construction, or operation of the conditional use, where construction is not required, shall commence within six (6) months of the effective date of the permit unless such time period is extended through appeal to and approval by the Planning and Zoning Commission. If no appeal is made, or no extension of time is received or granted, the permit shall immediately terminate upon expiration of the six (6) month period. When the conditional use permit commences, evidence of commencement will be the issuance of a building permit, if construction is required, or an occupancy permit, if construction is not required.

2347 WOODSON RD – ZONING MAP AMENDMENT & LOT CONSOLIDATION
